Peer Review

In the real world, you will need to provide constructive feedback and support to your peers. Today, you will demonstrate your work for Week 8 and open issues for your peers to respond to and correct.

- Each constructive issue opened is worth 10 points.
- Each issue responded to and closed is worth 10 points.
- Re-submit your updated script before next Tuesday.

D2L Midterm Exam

- Your Midterm Knowledge Examination is in the “Quizzes” section of D2L.
- You have until next Tuesday to finish it, I recommend you have a terminal open while answering the questions.
